FIRENZE

1896

“Il luogo dei luoghi” nel cuore della città, in un ambiente moderno e con una storia profonda. La Ménagère apre originariamente nel 1896 come negozio di articoli per la casa dove le giovani coppie stilavano le loro liste di nozze. Ha continuato a funzionare come tale, ma con uno spirito leggermente cambiato. La Ménagère è più di un semplice ristorante. Dagli interni dal design unico, alla musica d’ambiente e all’arredamento, un evento che si terrà qui sarà sicuramente uno di quelli che i tuoi ospiti ricorderanno. I nostri servizi non sono solo vasti, ma personalizzabili per adattarsi al tuo evento, ai tuoi ospiti e al tuo budget. Cerchi composizioni floreali o bouquet personalizzati? Le nostre fioriste potranno consigliarti. Prepari un compleanno o un matrimonio? Il nostro pasticciere preparerà la torta o il dessert perfetto. Inoltre, offriamo menu personalizzati, musica dal vivo e molto altro ancora. Dall’affitto di un tavolo o due, all’affitto dell’intero spazio, niente è troppo piccolo o troppo grandioso per festeggiare a La Ménagère. Inviaci una e-mail a events@lamenagere.it per saperne di più.
